

## Here's a win-win proposition for you and a friend...or co-worker!

You can earn **\$100** in cash when you refer a new customer – from inside or outside your company.\*

Do you know someone who has a need for quality temporary employees? For a limited time, you can earn \$100 in cash when you refer a friend, or another department supervisor within your company, and we fill their new order. Just call your Area Temps account representative or 866-995-JOBS with the name of your new customer referral and we'll do the rest.

And now your friend can take **\$50** off their first invoice when they place a 40-hour order!

Everyone wins with this special promotion! Tell your referral that they will qualify for a \$50 discount off their new order if they go to our website, print this image, and then enclose it with their first invoice.

### Providing quality candidates in Office Services, Professional, Light Industrial & Trades

\* Customers of Area Temps will receive a \$100 check for each referral of a new customer who has not billed with Area Temps for a minimum of six months. The \$100 referral is earned when the new customer is invoiced for an assignment lasting 4 hours or longer. Referrals within the same company must be for a position with skills unrelated to our current assignments. There is a limit of one \$50 new customer discount per company in each Area Temps division, (office services and industrial/trades are considered two separate discounts). That offer may not be combined with other promotional offers, is not retroactive and does not apply to temporary employees already on the job. Call your account representative or any Area Temps location for more details.
