

This spring, we've hatched a great deal for you!

To celebrate our 35th anniversary we're offering 35% off your company's first invoice!

Today's employment market is among the most challenging we've seen since we opened our doors in 1987. It's no secret that everyone is looking for qualified workers. If your company has unmet staffing needs, here's your chance to try our service again and take advantage of our best-ever introductory discount offer.

When other services closed offices during the pandemic, we continued to interview, screen and register new applicants. As a result, we currently have over 4,300 recently available candidates from the Northeast Ohio area.

Call or email our location nearest you to discuss your staffing needs. We'll fill your order quickly with qualified candidates, and our 8-hour guarantee means there will be no charge for our service if you aren't completely satisfied.

Then, take advantage of this special offer by simply printing and enclosing this email with your first invoice to claim your discount.
