

# Does your company have growth plans this spring?

Now take \$200 off your first invoice when you try before you buy!

Our temp-to-hire program makes it easy to find quality applicants without the time and expense - and uncertainty! - of recruiting on your own. You'll know our candidate is a good fit before you commit to a permanent hire. Just call us with a job description and our experienced team will do the rest.

Now, for a limited time, we're offering \$200 off any temporary or temp-to-hire order of 80 hours or more, (or \$100 off any 40-hour assignment).\*

And remember, once we fill your order, our 8-hour guarantee means there will be no charge for our service if you aren't completely satisfied.
